L'honorable Nancy Ruth, C.M.

I had a blast!

What an enthusiastic and welcoming orchestra the Strings Attached Orchestra is. I thought it would be fun to be in the holiday concert. I would ring the telephone in Pennsylvania 6-500 and play my tambourine from piece to piece. I hadn't realized the musicians were a serious, classical orchestra. They welcomed me, tolerated my timing 'til I got it right, and thanked me profusely. This is a great orchestra to join up with.

The Strings Attached Orchestra supported me, and I am going to support them. I hope you will too.

Sincerely,

Senator Nancy Ruth, C.M.
